

New Field Indicated for Hamlin

"Tom Sawyer" Is Staged Tonight

The long-awaited Junior Class play will be staged Friday, March 24, at 8:00 p. m. at the high school auditorium. Presentation will be "Tom Sawyer," Mark Twain's immortal classic of American boyhood.

A matinee performance for Friday has also been scheduled and will be held at 1:45 in the same auditorium. Admission has been set at 25 and 50 cents for students and adults.

Characters for the play have been announced as follows:

Widow Douglas...Sarah Johnson
Aunt Polly...Rose Brady
Mrs. Harper...Joy Maynard
Walter Potter...Donald Green
Mary Rogers...Billie K. Newland
Dr. Robinson...W. L. Fletcher
Becky Thatcher...Dorothy Altum
Sid Sawyer...Harold Johnson
Muff Potter...Asa Goodgame
Gracie Miller...Oleta Kite
Tom Sawyer...Donald Johnson
Joe Harper...Billy Sutherland
Injun Joe...W. T. Stapler
Ben Rogers...Donald Rowland
Huckleberry Finn...Jerry Carr
Alfred Temple...James Brigham
Amy Lawrence...Doris Rogers
Rev. Sprague...Garland Fletcher
Sheriff Jones...Ronald Armstrong
Judge Thatcher...Douglas Wolf
Mrs. Thatcher...Beth White

Play is directed by Billie Kathryn Lancaster.

Ushers chosen for the play are Kay Bessie, Floy Havens, Maxine Smith, Marlene Goodgame and Juanita Early.

Ticket sales have been brisk and a large turnout for the presentation is anticipated.

Student Council Sends Group to Amarillo

Donald Johnson, W. T. Fletcher, Jr., Donna Miller and Frances Martin attended the state conference of Student Councils at Amarillo Thursday, Friday and Saturday. They were accompanied by Sponsor Mrs. Austin Poe as delegates of the Hamlin High School student council.

The conference was devoted to discussion of problems and projects of the student councils of the state and interest was high at the meeting.

Womanless Wedding To Be Presented Again

Decision of members of the Hamlin Lions Club was to yield to "popular demand" and stage again the Womanless Wedding which closed a one night stand in a blaze of glory Friday night.

The farce will be presented on Tuesday, April 4, and characters will be shuffled in order to present them in a different role.

Success of the first venture led to further interest and additional members of the club will be presented at the April 4 billing.

SPECIAL FOR METHODISTS

Announcement has been made that Mrs. E. T. Pittard has consented to deliver a duplicate of her talk to the Rotary Club when church convenes at the Methodist church in Hamlin Sunday.

Band To Appear In Elementary School

Hamlin High School band will parade their new uniforms at the elementary school in a concert Wednesday at 11:15 a. m.

The band is directed by Walter Chalcraft and will render eight numbers in duplicate of those offered at a recent concert at the high school to celebrate the arrival of the new uniforms.

Tentative plans call for a parade through the business district as the band returns to the high school building from the elementary building.

Get It In

Jones County has exceeded its quota in the annual Red Cross drive which was conducted this year under the head of Jack Russell, Hamlin.

Totals reported to Chairman Russell indicate that \$5903.65 has been subscribed to the fund with approximately ten rural communities unreported.

Quota set for the county was \$5,661.00 and it is the estimate of Chairman Russell that final report will show around \$1,000.00 over-subscription.

Water Conservation Subject of Meet

Mack Brundage and Tate May represented Hamlin at the water conservation meeting held at Stamford Wednesday.

The meeting was one of a series being held in West Texas by a committee of state legislators. This group, under the chairmanship of Rogers Kelley, senator from the Rio Grande Valley, is meeting with state and local interests in an effort to rectify the water laws of the state in an effort to rectify outstanding errors in present laws.

Greater portion of the Stamford session was devoted to discussion of problems of this area and formulation of plans for action in the future.

Harold Davis, pastor of the Terrell Church above, is conducting revival services at the Hamlin church from Mar. 17 through 26th. Services are conducted at 7:30 p. m. daily.

Jaycees Install Officers Tuesday

Hamlin Junior Chamber of Commerce will stage their installation of officers banquet Tuesday, March 28, in the elementary school cafeteria. The banquet is open to the general public and members of the organization are urging general attendance of the people of Hamlin in order that they may acquaint themselves with the characteristics of the club.

All men between the ages of 21 and 35 are especially urged to investigate the possibilities of the civic group.

The Tuesday night event will install Wesley Nail as president of the group, C. W. Gold as vice president, Dr. M. L. Smith, secretary and Wilson Brandon, treasurer.

Members of the Sweetwater Jaycees, sponsoring agent of the local club, will assist in the installation ceremonies.

Principal speaker for the installation will be Jim Brown, state executive vice-president from Abilene. Ceremonies are to start at 8:00 p. m.

Lions Hear Hobbs At Regular Luncheon

Hamlin Lions met in weekly luncheon session at Johnson's drive in Tuesday and were entertained by James Hobbs, band director of Haskell schools. Mr. Hobbs demonstrated a remarkable versatility on the accordion and was compelled to render a great number of encores.

Discussion of the recent presentation of the Womanless Wedding was held and an invitation to participate with the Rotary Club in joint meeting Friday, March 31, was accepted.

Other guest than Mr. Hobbs was Wesley Nail, who announced forthcoming Jaycee banquet and invited attendance of the general public.

Brady Relays Give Pied Pipers Points

The track team representing Hamlin high school was one of 28 entered in the Brady Relays, staged at Brady Saturday, March 18. This meet is the largest held in Texas other than the annual state meet for Class A teams.

The Pied Pipers placed sixth in team standings with a total of 32 1/2 points.

Highlight of the meet from a local standpoint was the first place gained by Hamlin in the two-mile relay. This is the second successive year for Pied Pipers to win this event and gives them a second leg on the trophy offered. Three successive wins are necessary to retain the cup permanently.

Members of the winning relay team were W. T. Stapler, John Holland, Don Rowland and Harold Johnson. The quartet finished the race with a 60-yard lead over their nearest opponent and clipped 11 seconds off the record for the run.

In the medley relay the locals placed third with Asa Goodgame, Donald Green, Joe Allen Dean and Harold Johnson running this mixed event. This race is made up of two 220-yard laps, one 440 and one 880.

W. T. Stapler placed fourth in the 880 yard run.

Asa Goodgame was in fifth position in the quarter mile with Donald Green following him in sixth place.

Asa Goodgame tied with three for fourth place in the high jump.

Ronald Armstrong failed to place in the mile run.

Times in this meet were the best that have been posted and competition is becoming more keen as each is held.

The local aggregation will go to Brownwood Saturday to participate in the Bluebonnet Relays.

Above are pictured members of track team representing the Hamlin Pied Pipers in league competition this year. Left to right they are: Front Row: Don Johnson, Jon Adams, Joe Don Hymer, Ronald Armstrong, Don

Elmore, Harold Johnson, Jim Harwell, Frank Tucker, Chas. Early and Jack Wright. Second row: Vernon Townsend, Hub Hopper, David Ford, Billy Sutherland, Donald Green, Joe Dean, Jerry Carr, David Butler,

Doug Woolf and Coach J. N. Burditt. Third Row: Robert Fletcher, Franklin Willis, Don Rowland, Watts Fletcher, John Holland, Asa Goodgame, Dean Phipps and W. T. Stapler. The team is shaping up well.

C of C Starts Drive For 1950 Members

Membership and finance committee of the Hamlin Chamber of Commerce are instituting a drive this week for additional members and has 50 new members of the organization.

Old and new businesses in Hamlin are being approached by members of the committee under the chairmanship of Edgar Duncan. The committee is made up of Onis Crawford, George Malouf, Harry Carmichael, A. Spencer and H. E. (Jake) Lawson.

Importance of the many projects to be undertaken by the chamber makes it imperative that a representative membership be enlisted and committee members report enthusiastic response.

Stamps Quartette Is Booked for Hamlin

The famous Stamps Quartette is scheduled for appearance here on the night of March 27 at the high school auditorium.

Appearance of this musical group is sponsored by the local Boy Scout troop and proceeds are to be used in paying expenses of delegates to the national jamboree at Valley Forge, Penna.

Report on Japan Rotary Feature

Rotary Club met Wednesday and were treated to the most informative program that has been presented to the group this season. Mrs. E. T. Pittard, Anson, a correspondent with Japanese families in their home country, talked about current developments in that land.

So thorough has been Mrs. Pittard's study of the letters she has received that she holds the undivided attention of each group she addresses. Mrs. Pittard is an aunt of Mrs. E. C. Feagan, Jr.

Principal portion of the meeting was devoted to the contribution from Mrs. Pittard.

Guests at the Wednesday meeting were W. K. Bentley, Abilene High School coach, C. M. "Pop" Vaden, Abilene, Walter Jarrett, Abilene; J. C. Hunter, Jr., Abilene; C. C. Chenoweth, Abilene; Randy Randerson, Abilene; Harley Sadler, Abilene, Nevin Trostle, Brownwood; Rogers Kelley, Edinburg, John B. Hearne, Abilene; Robert Collins, Abilene; R. V. Allen, Abilene; Alex Edwards, Abilene; Eric Rongren, Chicago; Mrs. E. T. Pittard, Anson and Mrs. E. C. Feagan, Jr., Hamlin.

Mrs. Jim C. Mills returned to Hamlin Friday after a visit at Dalas with a sister.

Scouts To Choose Jamboree Delegates

Boy Scouts will meet at the Scout building in the old fire station Monday night to select a quartette of delegates to be sent to Valley Forge, Penna., for the national jamboree.

Second class scouts or above and will be elected by the troop after qualification.

As an aftermath to the meeting, a demonstration will be conducted on cooking and camping.

The local units are designated as Troop 43 and they are members of the Chisholm Trail council.

Active Week In Oil Completions

Oil completions and locations in the Hamlin area were much more active than in preceding weeks for some time.

Of principal interest has been the Culbertson well but additional activity is paramount throughout the area.

Texas Pacific Coal and Oil Co. got the Swastika in the Port Williams Number 7 and set seven-inch pipe Tuesday. Rig has been moved north to offset the Pardue Number 10.

Round Top Oil Co. is drilling below 1000 feet on the G. A. Poe Number 8.

General Crude Oil Co. completed the T. S. Ferguson Number 1 as an outpost to production.

T&P completed the S. P. Tucker Number 3 as an offset to production five and one-half miles northwest of Hamlin.

The Number 5 Port Williams has also been completed by T&P with approximately 54 barrels of oil per day pumped. This well is producing from the Canyon reef which differs from other wells in that sector producing from the Swastika.

General Crude has made location and set surface pipe on the Number 8 Y. Flores seven miles west of Hamlin.

The Number 1 Tarlton Willingham well which was drilled by Moutray-Moore was declared dry and abandoned at 5010 feet.

Central Avenue Opens To Traffic Monday

Hamlin's main thoroughfare, Central Avenue, is slated to be opened to automobile traffic after this week-end.

Oil primer base is scheduled to be applied Thursday and after a short lapse of time hot topping will be applied to afford passage after Monday.

It has been announced that the job of hot topping will be completed over all construction now being made and through traffic to the north will be permitted.

Future Farmers Go To Wiley for Meet

The Hamlin chapter of the FFA was represented at a district meeting at Wiley on March 16.

Those attending the Barnyard banquet and sweetheart contest from Hamlin were David Ford, James Brigham, Doris Rodgers, Marvin Johnson, Donald Strain, and the advisors, T. C. Blankenship and Harold Eades.

Bryon Bradberry of Abilene delivered the address which had "Making the World a Better Place in Which to Live" as its theme.

Lions Entertain To Packed House

To the muted strains of hilarious laughter, Harry Carmichael trod the tissue strewn aisles of the Hamlin High School auditorium Friday night as the principal portion of a Lions Club entertainment billed as a "Womanless Wedding."

As he stood surrounded by a bevy of characters in various stages of disguise he was joined by Clarence Bailey as the "groom" who was under armed escort of the father of the "bride."

There the couple was united in a mock ceremony by La Foy Patterson and an evening of merriment was ended for members of the club and the assembled witnesses.

Was composed of a group of unrehearsed novelty acts and impromptu stunts by various members of the cast. Talent was apparent in some of the numbers and lack of the same was just as evident in others. The complete bill defies description.

So effective were some of the costumes worn by members that old acquaintances were unable to recognize them without closer examination. Needless to say, a number of artificial devices were used to achieve this deception.

The skits were presented under the direction of B. V. Newberry and Walter Chalcraft functioned as master of ceremonies. A large percentage of the Lions personnel contributed in some way to the festivities.

Complete report on finances of the event are not available but an excess of \$200.00 was realized by the club.

It is estimated that more than 650 children and adults attended the show.

County Gets Ag Books for Library

Congressman Omar Burleson recently donated a large number of publications dealing with agricultural subjects to the Farm Library which Dr. Knox Pittard has established in Anson, located over the Pittard Drug Store, according to a release from the Jones County congressman.

The volumes included all the Yearbooks published by the Department of Agriculture since 1933, along with over 2,000 pamphlets and bulletins dealing with various phases of farm life.

Congressman Burleson also pledged at the disposal of the Library his own bound volumes of farm publications for the benefit of the patrons.

Congressman Burleson stated that it was almost impossible to secure the older editions of the Agricultural Yearbooks, if any, one was interested in being supplied with farm pamphlets or bulletins, he would be pleased to send them if requested.

Dr. Pittard has made available a new office structure, completely modern and air-conditioned for the convenience of those who wish to use the library, the report concluded.

Mr. and Mrs. D. M. White have returned from a 10 day visit to Pharr where they visited with a daughter and son-in-law, Mr. and Mrs. Elvis Wallace.

Operators State Well Is Producer

What may prove to be a new oil field for Hamlin and Jones county was in prospect this week with completion of drilling on the Ungren & Frazier - Jones & Staskey Number 2 Joe Culbertson well five and one-half miles east of Hamlin.

Operators completed exhaustive tests to a depth of 3250 feet and pipe has been set in the Swastika sand starting at 3232 feet.

The Swastika sand was encountered about 16 feet higher than previous tests in that area and indications are that it well above the water level. Latest drillstem test for the well brought gas to the surface in 11 minutes and 1725 feet of free oil and oil-cut mud were recovered with the tool open one hour and 45 minutes. Flow pressure was read at 300 pounds and shut-in pressure 1200 pounds.

Operators believe that another Roundtop-Bartlett field is possible and are glowing in their reports on the well. They expressed the belief that Hope and Gunsight pays could be produced as the field is extended and Canyon and Strawn structures are yet to be explored.

Definite announcement of the immediate plans of the operators has been withheld as to the plans for further development of the field. Most sources believe that a rapid development of resources which is characteristic of the firms.

Virtually all of the land in the immediate area is owned by Joe Culbertson, Hamlin wheat farmer and long-time mayor of the city.

Rotary drilling rig will be moved from the location and plug will be drilled with a spudder rig which will be moved in. Pipe was cemented Wednesday evening.

If the expectations of the principals are realized, Hamlin will be surrounded by producing oil fields and a much greater oil activity will result.

The Culbertson Number Two is the fourth attempt to be made in modern times on that owner's land and justifies leaseholders' faith in its possibilities. Another well was attempted in 1928 and like the other three previous attempts was dry and abandoned.

Sen. Rogers Kelley Visitor to Hamlin

State Senator Rogers Kelley, Edinburg, was a visitor in Hamlin Wednesday. He had been in attendance at the water conservation meeting at Stamford.

Kelley accompanied Tate May and Mack Brundage to Hamlin and attended Rotary with those men while here.

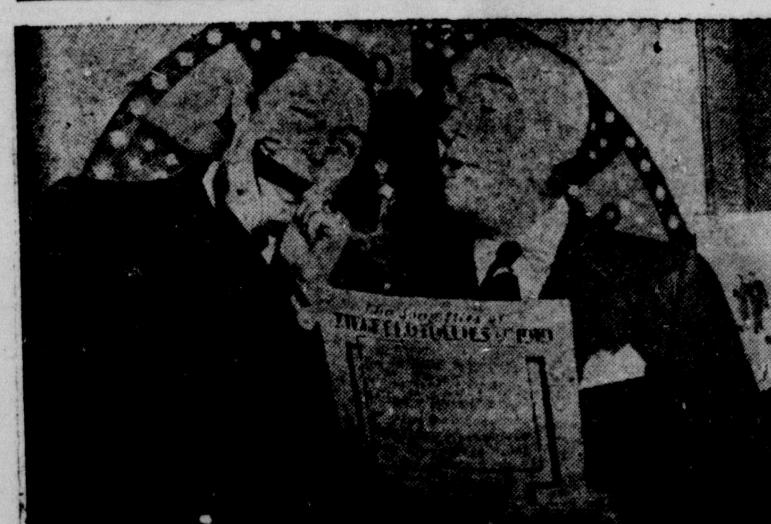

ATTENDS SCHOOL MEET

The Southwestern Regional Administrators Conference of school superintendents was held at Fort Worth over the week-end.

I. R. Hutchinson attended as Hamlin's representative to this six-state conclave and returned to Hamlin Monday.

Any erroneous reflection upon the character of
any person or firm appearing in these columns
will be corrected, gladly and promptly, upon being
brought to the attention of the management.

That which refines character at the
same time humbles, exalts and commands
a man, and obedience gives him courage,
devotion and attainment.—Mary B. Eddy.

When the white man discovered this
country the Indians were running it. There
were no taxes, no debt, and the women
did all the work.

The test of courage comes when we
are in the minority; the test of tolerance
comes when we are in the majority.—Anon.

Friends should not be chosen to flatter.
The quality we should prize is that recti-
tude which will shrink from no truth.
—Channing

A kiss is all right for an appetizer if
the meat is substantial.

Love can be 'folded in' with nimble
fingers.

When love and skill work together,
expect a masterpiece.—Ruskin.

SECURITY AT WHAT PRICE?

Man's quest for economic se-
curity will always be one of the
strongest human motivations.
Throughout all history there has
been only one sustained, sought-
after goal to emerge paramount
over security in the minds and
hearts of men—and that goal is,
of course, freedom. Because of
the fundamental craving for se-
curity in the nature of man, there
has always been the danger he
would forfeit even freedom to at-
tain it. Time and again he has
—but usually involuntarily.

Political masters have built
their totalitarian governments on
the promise of providing security
without destroying individual
freedom. The bait is well-nigh
irresistible. And now the prob-
lem of having economic security
and freedom too has begun to
plague acutely the citizenry and
the intellectual leadership of
America. This dilemma may be
traced directly to the Communist
and Socialist propagandists.

Security as a Lure
In this vital postwar period
when guards have been dropped,
these propagandists and their
dupes have sought to convince us
that elsewhere the Socialist State
is fulfilling its promises of "full
employment," "fair shares" and
"lifetime security" in a "demo-
cracy" where freedom reigns. The
actual facts shout down this
siren song. They nevertheless
are trying to either lure our peo-
ple away from a healthy confi-
dence in the American way of
life or stampede us into political-

ly-operated programs that would
bankrupt our nation and lay us
wide open for government based
on the principle of force.

We've rejected the Socialist
doctrine when labeled as such.
But a lot of our people have fallen
for a security-plus-freedom pro-
gram being offered in Congress
by planners who get angry when
called Socialist or when any ob-
jective analysis reveals the facts
about their plans. I've just read
such an objective analysis made
by the Brookings Institution. It
is entitled "The Cost and Financi-
ng of Social Security." Its pur-
pose is simply to examine the
facts and figures.

Stupendous Cost Revealed.
The Brookings Institution
study develops the following pri-
mary fact: The major social
programs being pushed in Con-
gress by the Planners would cost
an estimated \$30,770,000,000 a
year by 1960, and \$44,000,000,000
a year by 1990. Add veterans'
benefits of from \$5,000,000,000 to
\$10,000,000,000 and the soaring

regular budget outlays of \$40-\$50
-\$60,000,000,000, and you have a
total running up toward 50 per
cent of the present national in-
come—or a cost to all of us equal
to about half of all of our in-
comes.

The Brookings report says
these tremendous sums for se-
curity programs ultimately would
have to come annually from new
taxation, regardless of the month-
ly payroll taxes. The proof of
this was given in a Senate
speech by Senator John L. Mc-
Clenahan (D., Arkansas). He re-
vealed that \$38,250,000,000 be-
longing to the present Old Age
Unemployment, Railroad Retire-
ment, and other such trust funds
financed by direct payroll tax,
had been dissipated by the gov-
ernment on a hundred and one
other spending projects.

Paying Twice For It.
Benefits from these funds will
now have to be financed again,
by additional taxes on the gen-
eral public. Everybody's pay
check will be hit. Here we have

a striking example of what hap-
pens to trust funds sent into
Washington in the form of pay-
roll taxes for pensions, benefits,
etc. Although the fundamental
human desire for security can-
not be denied, we must approach
the problem with calmness, un-
hurried by pressure of politico-
planners. Above all, it must be
taken outside the reach of poli-
tics.

Long range economic security
can never come by grant of a
political boss or clique. The
soundest way to obtain it is
through thrift and teamwork of
workers and employers that will
increase productivity and thus
boost real wages. Contributory
retirement plans help to ease the
anxiety and preserve pride and
independence. I strongly favor
group insurance, pensions and
medical insurance. A voluntary,
contributory basis, however, will
prove far better for all concern-
ed than a compulsory, govern-
ment managed plan. More on
this next week.

"Helping Build Hamlin"

NOW IT'S YOUR TURN TO BLOSSOM OUT

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

You've seen it happen with the
family down the street, the friends
across town, the folks you went to
school with.

They started out, as most folks do,
with a car of modest size—and still
more modest price.

Maybe they moved themselves up
a bit, step by step, to the top-
bracket models in that particular
price range.

Then they discovered something.

It doesn't cost much more—some-
times no more—to really blossom
out in a Buick.

It's not such a long stretch to take
command of a great-hearted valve-
in-head straight-eight—to move
into the room and restfulness and

steady going of a Buick—to cloak
yourself in styling that's today's
height of highway fashions.

You can know the good, satisfying
feel of a Buick wheel in your hand
—you can have the gentleness of
soft coil springs on all four wheels
—you can revel in the handiness of
cars that are big in room and big
in repute, yet traffic-sized and easy
to park and put away.

Maybe—who knows till you in-
quire?—you can manage the magic
silkeness of Dynaflo Drive* in all
its 1950 perfection—of a certainty
you'll find the model that's twin to
your heart's desire among the
many choices Buick gives you for
1950.

So why not make this your year
to blossom out in a Buick, as so
many have before you? Why not

find out the dollars-and-cents story
of Buick—it even includes some
very happy figures on gas economy
—from your own Buick dealer?

See him now, will you—and help
yourself to some real fun this
season!

BUICK ALONE HAS Dynaflo AND WITH IT GOES:

HIGHER-COMPRESSION Fireball valve-in-head
power in three engines, five hp ratings. (New F-263
engine in SUPER models.) • **NEW-PATTERN**
STYLING, with bumper-guard grilles, taper-through
fenders, "double bubble" taillights • **WIDE-**
ANGLE VISIBILITY, close-up road view both for-
ward and back • **TRAFFIC-HANDY SIZE**, less
over-all length for easier parking and garaging,
short turning radius • **EXTRA-WIDE SEATS**
cradled between the axles • **SOFT BUICK RIDE**, from
all-coil springing, Safety-Ride rims, low-pressure
tires, ride-steadying torque-tube • **WIDE ARRAY**
OF MODELS with Body by Fisher.

Diagnosis Aided By Use of X-Ray To Combat T-B

The X-ray, a powerful beam of light which can penetrate solid objects is known as one of the greatest single aids in diagnosing tuberculosis.

Up to the time of the discovery and use of the X-ray, it was difficult and at times impossible to diagnose tuberculosis in an early stage. With the aid of the X-ray, the doctor is now able to detect the first signs of tuberculosis in a patient and advise that patient to seek treatment while the disease is still in an early stage—

while it is still comparatively easy to cure.

Tuberculosis is a communicable disease, spread easily from person to person. It is caused by the tubercle bacillus, a germ which is passed on by people who have the disease to those who are well.

Tuberculosis can be present without giving any obvious signs or symptoms. As a matter of fact, it rarely strikes a sharp, apparent blow in the beginning. It attacks a person insidiously and often slowly. The characteristic, visible signs of the disease—noticeable loss of weight, fatigue, coughing and spitting of blood—usually do not appear until the disease has progressed from an early to an advanced stage.

The X-ray is of value to the individual insofar as he takes advantage of it. Chest X-rays, at

least once a year, should be a part of every adult's annual physical examination. Thus, if tuberculosis should strike, the chances are it will be detected in an early stage.

It takes a minimum of time and trouble for a person to get a chest X-ray. Getting a chest X-ray is a simple process, like getting one's photograph snapped, and takes but a few moments. And because of its sharp, "detective" powers, the X-ray may mean detecting the disease before it gets the upper hand.

If a person's lungs are healthy and sound, the X-ray will reveal this, too. And it is a great satisfaction for one to know that his lungs are sound. Either way, the few moments given to getting a chest X-ray will pay valuable dividends.

Leisure Hours are Yours with an ALL-ELECTRIC KITCHEN

When a kitchen is practical and pretty... of course it's electric!

Ladies, have you heard about... **thrifty Electric Kitchen!**

Of course, you know cooking is easier, cleaner, safer, faster, and cooler... but that's not all! It's thrifty, too! Low-cost electric service and positive control of cooking temperatures will help you stretch your kitchen budget. The completely oven baked meal is only one example of the many savings made possible by the unequalled automatic features of electric cooking. Yes, ladies, electric cooking is thrifty... and it allows you more time for leisure, too!

West Texas Utilities Company

AN ALL ELECTRIC KITCHEN INCLUDES:

Cooking Center: The Electric Range automatically provides the exact cooking temperature needed. Surrounding work surfaces and storage cabinets keep cooking utensils and food supplies within arm's reach.

Dishwashing Center: Ample work space for stacking used dishes and cooking utensils. The Electric Dishwasher handles not only dishes and silver, but pots and pans as well... washes them shining clean, and dries them without wiping.

Refrigeration Center: The Electric Refrigerator provides ample food storage, and large freezing capacity. Adjacent work surfaces provide space for food preparation.

Adequate Wiring: This simply means: 1. Large enough electric wire. 2. Enough circuits. 3. Plenty of outlets and switches.

**Postal Receipts
Drop In Texas**

Postal receipts in Texas dropped 34 per cent in January from December, a report to The Herald from the University of Texas Bureau of Business Research, reports.

Receipts for 64 Texas cities amounted to \$3,864,613 in January, rising seven per cent from January 1949.

All Texas cities reported declines in postal receipts from December to January. Longview recorded the largest decrease—72 per cent; followed by other large drops in Corsicana, 57 per cent; Borger, 63 per cent; Port Arthur, 51 per cent; McKinney and Sharman, 46 per cent; and Big Spring and Childress, 45 per cent.

In comparison with January 1949, outstanding gains were turned in by New Braunfels, 50 per cent; Midland, 43 per cent; Sweetwater and Lubbock, 26 per cent; and Austin and Del Rio, 22 per cent.

During the 12-month period, declines ranged from a fractional decrease in Gladewater to a 20 per cent drop in Big Spring.

January postal receipts totaled \$987,326 in Dallas, \$650,115 in Houston, \$367,909 in Fort Worth, \$341,640 in San Antonio, \$149,877 in Austin and \$145,090 in El Paso.

After adjustment for seasonal variation, the Bureau's index of postal receipts fell 10 per cent in January from December. The

**Census Counts
Poultry Facts**

United States Bureau of the Census reported this week to The Herald that they will ask farmers in Jones County about the number and kind of poultry on their farms as a part of the 1950 Census of Agriculture to be taken in April. Poultry and eggs sold and poultry raised on farms will be reported for the calendar year sold 1949.

Every decade since 1840 and every five years since 1920, the Bureau of the Census has collected information about farms and farm production. More than 3.4 million farms reported poultry or poultry products sold in 1944 totaling more than \$1.5 billion according to the 1945 census of agriculture. In 1945, there were 274,504 poultry farms having sales of poultry and poultry products in 1944 exceeding \$770,000,000, or an average of \$2,807 per farm.

Farmers raised 971,000,000 chickens in 1944 which had a total value of \$1,005,759,731. The chicken eggs produced on farms in 1944 amounted to 3,370,577 dozen.

THE MOST beautiful Easter Cards—at The Book Shop. 1c

Malnutrition and disease are the principal enemies of livestock.

index stood at 292 per cent of the prewar (1935-1939) base period in January, 324 in December, and 274 in January of last year.

**BEFORE YOU BUY ANY RANGE
KNOW THESE**

**Facts about
Flame Cooking**

Only modern GAS ovens can bake and roast so evenly because oven is ventilated for fresh-air circulation.

Only modern GAS ovens can accurately hold any temperature from 250 to 550 degrees.

Only modern GAS broilers can impart real broiling flavor into foods. Nothing can sear like live flame.

Only modern GAS broilers are smokeless. Only live flame can consume rising food vapors.

Only GAS ranges provide instant heat. Inferior non-flame, artificial methods cannot be as fast as instant flame.

Only tailored flame can fit every pot and pan in your kitchen. No special pots and pans are required for GAS cooking.

Only modern GAS cooking costs so little. GAS ranges operate for one-fourth the cost of non-flame, artificial methods.

Only modern GAS cooking is so dependable. GAS service is your most reliable domestic servant. There are no periodical supply failures.

Only modern GAS ranges can be easily and inexpensively installed. No costly outlets are required as with non-flame, artificial methods.

No other type of range is safer, cleaner, cooler, more automatic, more beautiful, or more certain. Absolutely none! No other type of range is offered in so many different models. There is a GAS range to fit every need and every pocketbook.

Bob Wills Hears Folks Tell Of Hadacol's Many Blessings

Hundreds of folks, who are benefiting every day from taking HADACOL meet at the Trianon Building in Oklahoma City where Bob Wills, famous band leader, and his Texas Playboys broadcast each noon for HADACOL.

"It looks like all my fans are getting wonderful benefits from HADACOL," said Wills. "It is a real pleasure to broadcast for HADACOL because the folks taking HADACOL are so enthusiastic that I feel like I am performing a real service for mankind." Hundreds have told Wills of the blessed benefits of HADACOL and the following statement by Miss Carol Jean White, 3636 West Park St., Oklahoma City, is a good example:

"One of the luckiest days of my life was when I heard Bob Wills tell about the wonderful blessings of HADACOL. I had lost my appetite, my energy was down. I suffered with gastric disturbances and indigestion. I took the advice of Bob Wills and took HADACOL. I felt better right off and have felt better and better as I have continued to take HADACOL. I now recommend HADACOL to my friends."

Miss White suffered with a deficiency of B Vitamins and important Minerals which HADACOL contains.

A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances. ... Your food will not agree with you. ... You will have an upset stomach. ... You will suffer from heartburns, gas pains, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are

Bob Wills Hears About HADACOL'S Blessings

Bob Wills, famous western music band leader, loves to talk with his fans at the Trianon Building auditorium in Oklahoma City about the blessings of HADACOL. In the picture above Miss Carol Jean White, 3636 West Park St., Oklahoma City, tells Bob how much HADACOL has helped her. Hundreds of folks who are obtaining rich blessings from the precious B Vitamins and Minerals in HADACOL visit Wills each week for his network broadcast, which is originated from KBYE, Oklahoma City, Oklahoma's western music station, and sent over a leased wire to stations, KRMG, Tulsa; KWHN, Fort Smith; KGLC, Miami, Oklahoma; KLYN, Amarillo, and KWFT, Wichita Falls.

surely and certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and the Minerals which your system lacks.

HADACOL contains not only one, but 5 of the B Vitamins. HADACOL contains not only one, but 4 of the necessary Minerals. It comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

It is easy to understand, therefore, why countless thousands

have already been benefited by this amazing tonic, HADACOL.

So, it matters not who you are ... it matters not where you live ... or if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives again because HADACOL supplied the Vitamins and Minerals which their systems needed. Be fair to yourself. Give HADACOL a trial. Demand the genuine HADACOL. Accept no substitutes.

OF INTEREST TO WOMEN

Bettye Abbott Bride in Fort Worth Rites

Word has been received in Hamlin of the marriage ceremony to be performed Saturday in Fort Worth which will join Bettye Abbott and James Ernest Hejl.

Miss Abbott is a niece of Mrs. L. L. Cowan and formerly resided in Hamlin.

The wedding will be performed in the First Methodist church in Fort Worth at 7:00 p. m.

Local Girl Chosen For Radio Nuptial

J. E. McCoy Sr. this week announced the engagement and approaching marriage of his daughter Gloria Jackqueline McCoy to Bob Dreis of Los Angeles California.

Wedding is to take place on the Bride and Groom Program April 3 at 2:00 p. m. and will be broadcast either April 3 or 4.

Dr. Will C. House, pastor of the local First Methodist Church, returned early this week from conducting a study course in the Vernon First Methodist Church.

Admittals to The Hamlin Memorial Hospital this week were: Mrs. George Berry, Mar. 16, med-

Mrs. McBride Hostess To Literary Club

Woman's Literary Club met in the home of Mrs. L. H. McBride, Friday at 3:00 p. m., for a Saint Patrick's Day program.

Mrs. Ernest Jenkins was in charge of the business meeting. After Mrs. John D. Ferguson gave the critic's report the program was turned over to the director, Mrs. A. G. Irwin.

Roll call was then answered by "A Bit of Old Ireland" and then she introduced the program.

Mrs. E. J. Whaley gave "A Story of Saint Patrick's Day" and Mrs. Bill Shira told an old Irish story taken from "Granny's Wonderful Chair" by Frances Browne.

Mrs. L. H. McBride led the club in the singing of "My Wild Irish Rose" to conclude the program.

Those present were: Mrs. J. N. Burditt Jr., Mrs. Art Carmichael, Mrs. H. O. Cassle, Mrs. John Howard Jr., Mrs. I. R. Huchingson, Mrs. Dick Maberry, Mrs. J. W. McCrary, Mrs. R. D. Moore, Mrs. O. D. Roland, Mrs. O. R. Riddle, Mrs. Ferguson, Mrs. Irwin, Mrs. Jenkins, Mrs. Shira, Mrs. Whaley and Mrs. McBride.

Hot dinner guests in the home of Mr. and Mrs. J. G. Smith Monday were: Mr. and Mrs. C. A. Simpkins, Mr. and Mrs. Friman Perkins and daughter, Becky Sue all of Rule; Mr. and Mrs. Virgil Smith and Mr. and Mrs. Henry Hall of Haskell.

ical, Stamford; Teddy Masser, March 16, medical, McCaulley; Mrs. O. H. Helms, March 17, medical; Carolyn Stucky, March 17, medical, McCaulley; Velma Jean Kean, March 17, medical; McCaulley; Charlie Sellers, March 17, medical; Mrs. C. G. Kolb, March 16, medical; Mrs. Charlie Sellers, March 18, medical; Sarah Ann Young, March 17, medical; Mrs. Nancy Watson, March 21, medical; Mrs. O. D. McCaulley, March 21, Aspermont; David Stucky, March 21, medical, McCaulley; Mrs. L. R. Stucky, March 21, medical, McCaulley; J. E. Patterson, March 21, medical; Mrs. Collins George, March 22, medical; Clyde Wilson Truett, March 22, surgery; Mrs. C. C. Maberry, March 18, medical, McCaulley.

Patients dismissed from the hospital during the past week were: Jimmy Holmes, March 17; M. F. Carter, March 17; Charlie Early, March 18; Donnie Maberry, March 21; Mrs. D. A. Hughes, March 21; Mrs. C. C. Maberry, March 21; Carolyn Stucky, March 21; Sarah Ann Young, March 21; Charlie Sellers, March 22; Mrs. Lance Hill, March 22; Mrs. C. C. Maberry, March 21; Mrs. Stanley Jackson, March 18 and Mrs. Edward Dodd, March 18.

Mrs. Louis Yarbore, El Paso, niece of George Crow, was stuck on with a heart attack in Hamlin while enroute home from Oklahoma. She was treated at the Hamlin Memorial Hospital and is remaining here until her condition improves.

Preston Smith Up for Lt. Governor

Preston Smith, 38-year-old Lubbock business man, entered the political arena this week by announcing his candidacy for Lieutenant Governor.

Smith is a three-term veteran of the Texas House of Representatives. He was first elected in 1944 to represent District 119.

During his service in the House Smith has been for four years a member of the appropriations committee. He has also served as chairman of the sub-committee on higher education. He is a firm believer in the application of sound business methods in the operation of the state government.

Born on a Williamson County farm, son of Mr. and Mrs. C. K. Smith, he stayed with farm life until 1931. He is the seventh child in a family of 13 and has six brothers and six sisters.

Much of his career in the House has been devoted to championing the cause of Texas' rural people. He is author of the rural hospital bill and co-author of the rural telephone bill, and also has been active in the fight for farm-to-market roads and soil conservation. Smith has been a supporter of all veteran legislation.

Of his hospital plan, Smith says, "This measure will go a long way toward solving the doctor shortage in small communities. If the counties will vote bonds for hospitals and then lease them to some of the young doctors just out of college who have no financial means to build their own hospitals, the younger men will not be inclined to go into the large towns where facilities are available."

Commenting on his race for Lt.

Wheat Grindings Drop According to Report

Texas wheat grindings, totaling 2,575,000 bushels in December, slid three per cent from November and 22 per cent from December 1948, according to a report to The Herald from the University of Texas Bureau of Business Research.

After adjustment for seasonal variation, the Bureau's index of wheat grindings slipped six per cent to 107 per cent of the pre-war (1933-1939) base period.

Wheat flour production in Texas dropped two per cent in December from November and 24 per cent from December 1948.

Dynamite was invented by Alfred Nobel in 1867.

Gov. Smith said, "Much of Texas' population is centered in rural areas and small communities. Unless you have lived on a farm or in one of the very small towns, of which there are many in the state, you can't realize how much is needed in the way of worthwhile legislation for the rural areas. Texas needs the services which the rural population provides. The rural population needs better facilities for day-to-day living. As Lt. Gov., I will continue my efforts to see that this important segment of our population receives as many needed improvements as possible, along with other necessary and important legislation."

Smith also authored the bill, in the House, which would require all boards, bureaus and state agencies that spend state tax money to hold open meetings and to advise the press in writing in advance of such meetings. The measure passed the House but did not get through the Senate.
